Afterword

I write this message after returning from the hospital, where my dear brother has just undergone major abdominal surgery. Mike and Rick and I have just spent a grueling twelve hours putting the final touches on this annual that you are reading. The last week has been the most hectic one of my short life.

Fortunately, making this yearbook was not always this dreary. It is a wonderful feeling to perform an important job for Wheat Ridge High School. Each editor and his/her staff is to be commended for their considerable effort in the production of this book. I also would like to thank WRHS as a whole for making my three years here the best ones of my life. Finally, I wish to thank Mr. Alden and my assistant, Christy Rufenacht for their dedication. I know that with these two in charge, the Agrarian will be better than ever, next year.

-Marc Darr, ed.

This may seem to be an odd place for an afterword, but in the yearbook business, space can sometimes be a problem.

Senior Class

Synonymous with distinguished achievement, the Class of 1982 sought the reigns of leadership immediately upon entering Wheat Ridge High in 1979. The impressive legacy of this year's Senior class will certainly continue to inspire future students long after graduation.

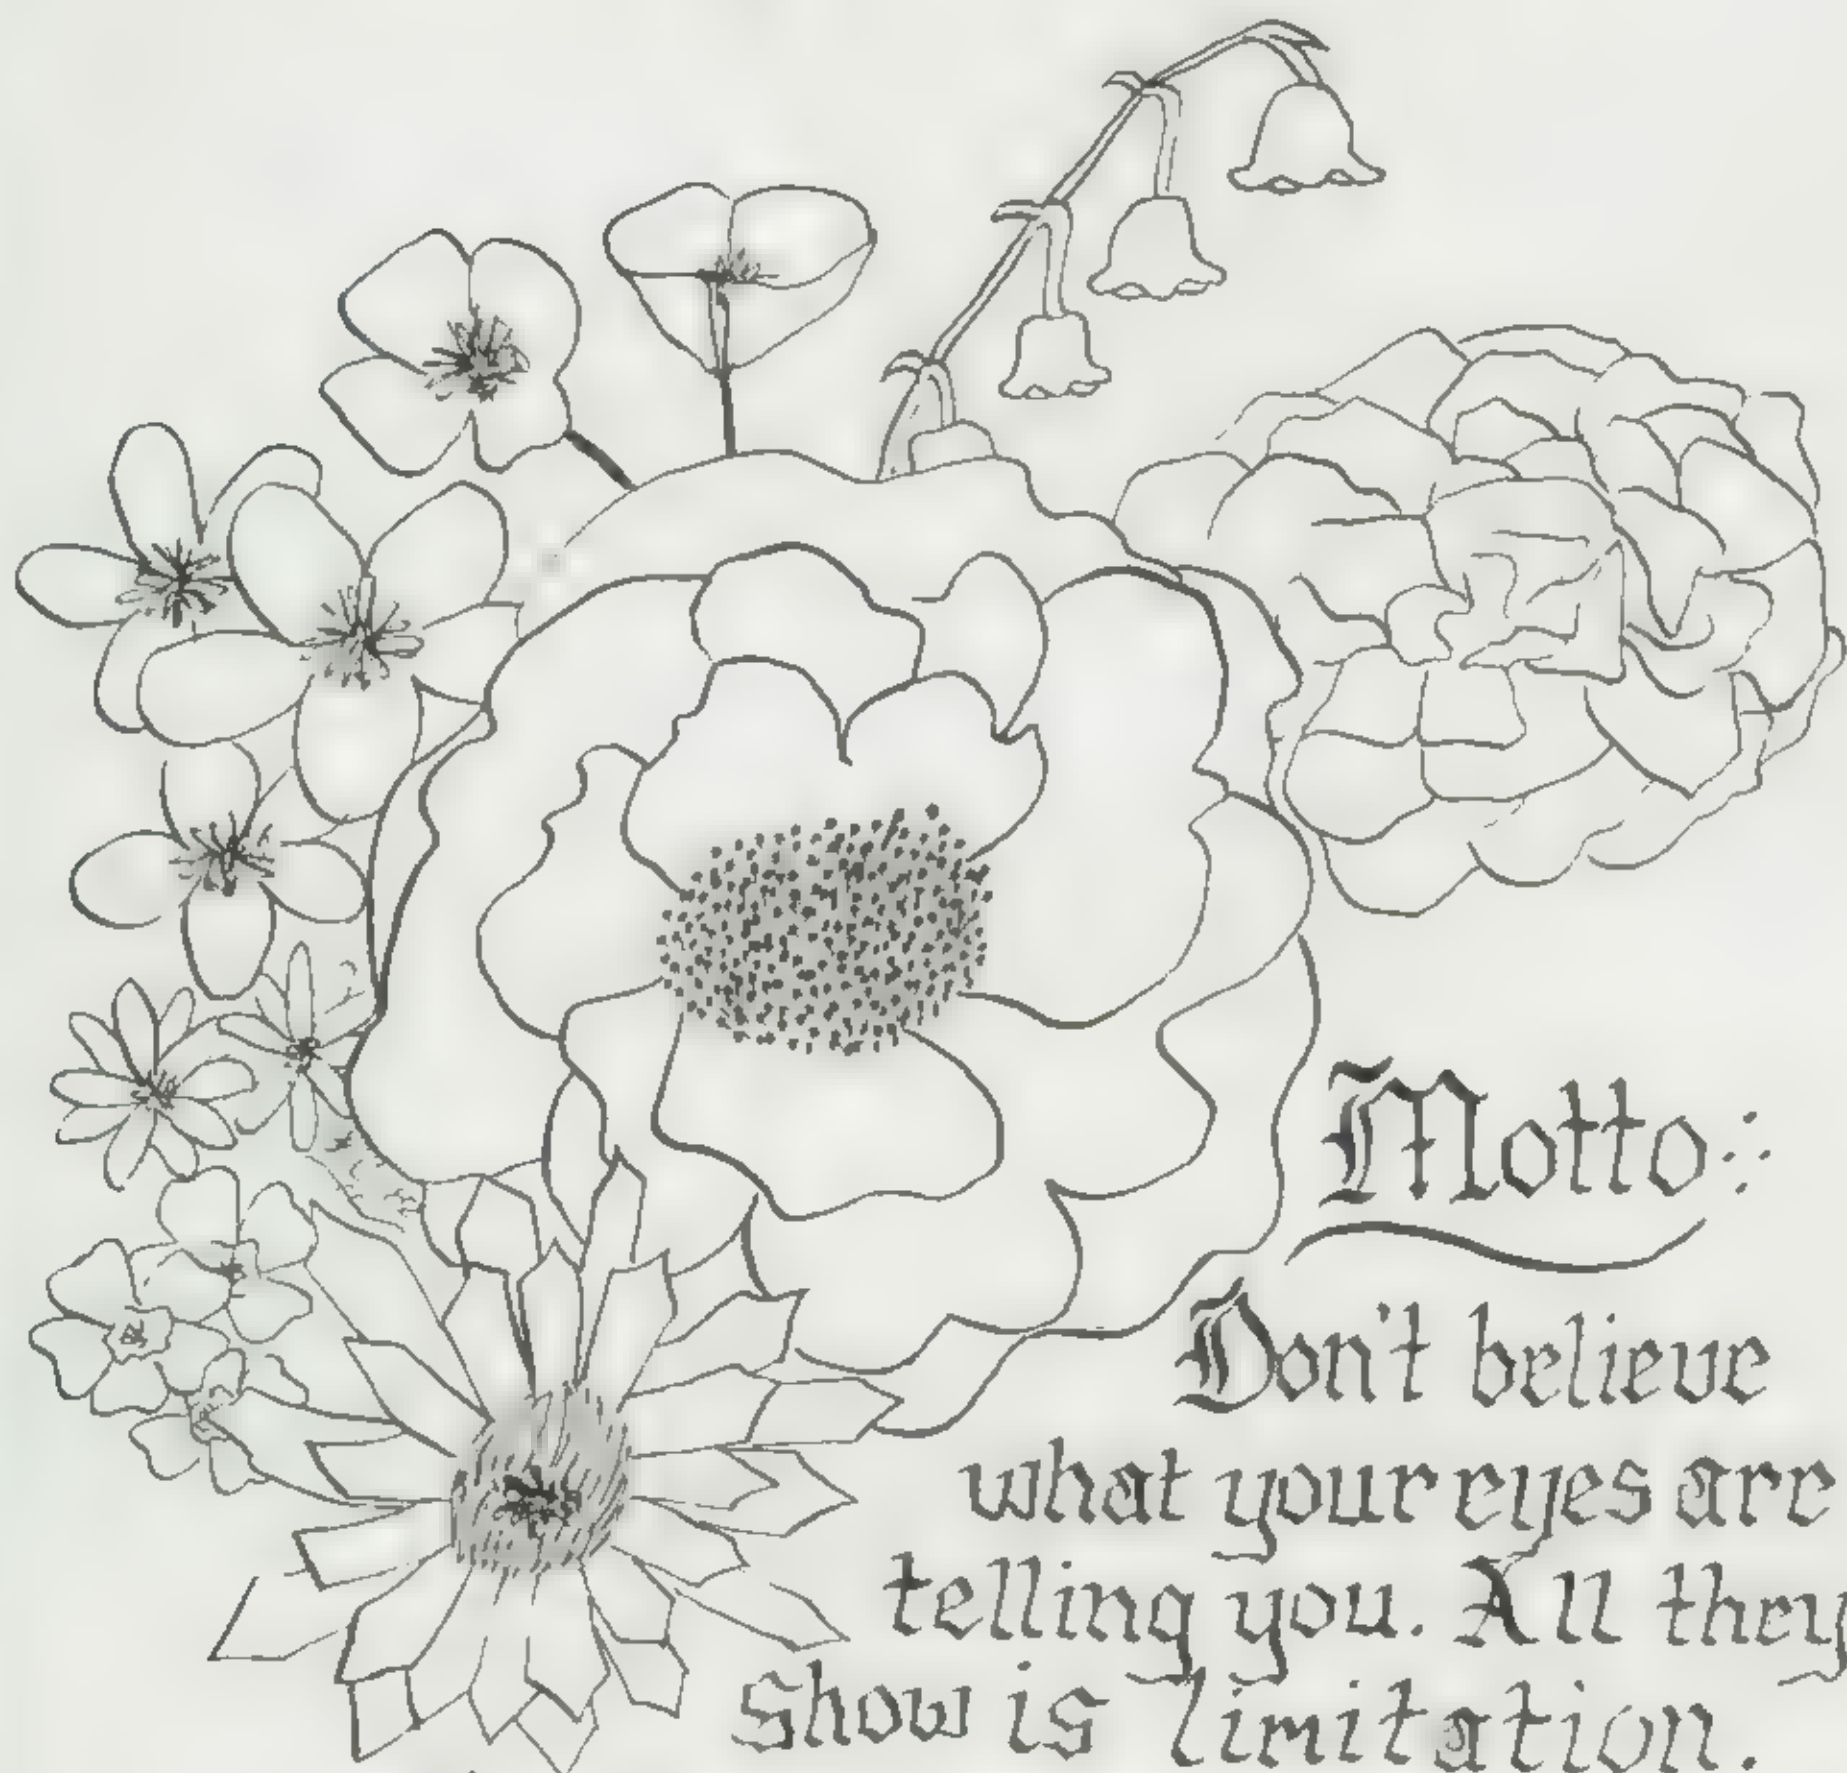

The excellent performance of the 1979 athletic teams in the Fall sports alone testifies to the superior qualities of the Class of 1982. The sophomore football team waged spectacular warfare and foreshadowed the powerful 1980 and 1981 Varsity squads. The Cross Country team won the state title. Dan Reese captured the first of three consecutive All-State honors. Soccer kicked to 10-1. Swimming took sixth at State. Volleyball enjoyed the best season in Farmer history. Tennis, gymnastics, and golf performed admirably. Thanks to the tremendous talent of the Sophomores, Wheat Ridge was assured of three years of superior athletics.

Student government steadily improved during 1979-82; the administration of Jon Vogels marked a new standard of friendly efficiency. The band continued to produce awe-inspiring musicians and breathtaking performances, both in the auditorium and on the football field. Vocal music also continued to excel, and the productions of "South Pacific," "Guys and Dolls," and "My Fair Lady" may be the finest Wheat Ridge musicals in history. Speech team grew and grew, and devoured hundreds of honors and awards. DECA also expanded and never failed to perform valuable services to the student body. Art, drama, and a multitude of clubs and organizations—if only the time and space to describe the tremendous accomplishments of every Wheat Ridge student—a task far too laborious to complete in a lifetime!

It is with great reluctance that the Class of 1982 attempts to tackle the endless problems of an endless world. Yet, be assured that no more able assembly of young men and women ever entered the world. We shall forever be connected in spirit, one body linked through the unforgettable experiences of a difficult and rewarding three years. To the faculty, administration and everyone else who has made Wheat Ridge High an educational landmark, we remain forever indebted.

Artistic

Doug Dolezal
Shawn Collier

Missy has excelled in basketball, volleyball, track and softball throughout high school. When not participating in sports, Missy enjoys skiing during her free time. Missy's future plans include attending college and majoring in Special Education.

Dan has participated in cross country, basketball, and track. He was vice-president of W-Club. During his free time he likes playing basketball, jogging, water skiing, and coaching Little League Basketball. Dan plans to go to college on an athletic scholarship, major in business, and possible study at the University of Colorado.

Athletics

Doug was student body treasurer of senate and president of the Forensics and Debate team. He also reports for the school paper and was chosen as artist-in-chief. Doug draws for the Agrarian and has designed several things for various other clubs and organizations. His plans for the future include attending college and studying architecture on a 6-year program.

Shawn has done set work for *Butte Spirit* and "My Fair Lady" and artwork for the Agrarian. Her achievements in art include awards in the National Scholastic Art Contest for Colorado, finalist in the National Scholastics Art Contest in New York, and exhibitor at the Arvada Center. She enjoys all sports (especially soccer) along with drawing, painting, and having fun with good friends. Shawn says, "I plan to attend C.U. to major in Environmental Design in the hope of combining my love of art and nature into a successful and promising career."

Missy McLinden
Dan Reese

Creativity

Jon Vogels
Carmen Sower

Jon is a member of the Banner Staff, in which he is the author of "The Adventures of Colorado Smith" and "Facing the Music" column, and the Forensics and Debate Team, where he won first place on the team in Humorous Interpretation. Jon's future plans include teaching and freelance writing.

Carmen is involved in German Club, Farmers Daughters, German Dance Club, Young Life, and was a member of the Tennis team for two years. Her hobbies include tennis, working with disabled people, playing the guitar and piano, and reading. Carmen's future plans include going to college and working in the field of recreational therapy.

Drama

Anne Suwyn
Dave Dunne

Anne is currently involved in Wheat Ridge Singers, Chamber Chorale, a church drama group, the production of "My Fair Lady," and is President of Farmers Daughters. She participated in last year's musical, "Guys and Dolls," and has played both volleyball and basketball for Wheat Ridge. Anne also was selected out of many singers to attend the All State Choir. Her future plans include attending D.U. and majoring in Musical Theatre.

Dave participates in the International Thespians Society, Forensics and Debate Team, Peoples International, Latin Club, and is Vice President of Key Club. He was involved in Wheat Ridge Singers for one and a half years and was active in Youth in Government. Dave has performed in many significant plays, musicals, and operas from all over the metro area. Next year Dave plans on attending college. He says, "I definitely owe my desire to pursue musical theatre as a career to Mr. Dalton."

Leadership

Troy Eid

Anne Clouatre

Troy is involved in National Honor Society, National Slavic Honor Society, Varsity Cross Country and track, and the Boulder French Horn Club. He was a junior class senator and the senior class president. His achievements include the State Alternate for U.S. Senate Youth Program, All-State Orchestra for three years, winner of an essay contest for Freedoms Foundation at Valley Forge, Masonic Outstanding Junior Boy Award, **Denver Post**/Amax outstanding teenager award, and National Merit Commended Scholar.

Anne has been involved in student government for many years. She was the senior class vice-president, junior class vice-president, and a sophomore senator. Anne was vice-president of National Honor Society, N.F.L. secretary for the Forensics and Debate Team, executive officer of the W-Club, and was a Mat-Maid this year. Her achievements include Most Valuable Swimmer for Wheat Ridge, All-Conference and All-State Soccer Player, **Denver Post**/Amax Outstanding Teenager Award, Masonic Outstanding Junior Girl Award, and was chosen to participate in Girls State.

Musicianship

Gretchen Moritz
Nicholas Lobanov

Gretchen's musical achievements include three years of All State Orchestra, All State Band, and top scores in solo and ensemble contests. She also won a National Concerto Contest making her one of the top high school flutists in the Nation. Besides music, Gretchen loves to ski and has been actively involved in Winter Park's Ski Patrol. She also enjoys playing soccer and tennis. Gretchen is unsure of what college she will attend but "hopes to use her musical talent to its fullest potential."

Nicholas' musical achievements are numerous and impressive. He has been a student of Mark Denekas for the past six years (Denekas is the principle horn of the Denver Symphony Orchestra). Nick has recently been awarded a horn scholarship to Carnegie-Mellon University in Pittsburgh which covers seventy-five percent of the costs for his 1982-83 school year. He has also been a member of the Young Artists Orchestra of Denver for three years. He intends to major in music and become a professional performing classical musician.

The Junior Class

The junior class showed much school spirit this year. During homecoming activities juniors participated enthusiastically in all of the events. For the second year in a row, the class of '83 won the homecoming float competition between the classes.

At Christmas, the class sponsored a morp dance (the complete opposite of prom!) after a Farmer basketball game.

The real prom, sponsored by the junior class, was held at the Green Center on the campus of the Colorado School of Mines. This illustrious event had to be the highlight of the year for the class of '83.

Scholarship always remained a high priority for the junior class in addition to the social events and activities.

The Sophomore Class

Each year new students who enter Appleton High School enter into the school with a certain amount of hesitancy and apprehension. Each new sophomore takes on the task of finding his identity. This is done by throwing in friends, positive attitudes, and participation.

One of the major goals of the sophomore senators and officers this year is to create unity amongst the class, to bring people closer together within their class and to work towards the same goals. However, this job can't be the sole responsibility of a few representatives. It is definitely one of the major concerns confronting the sophomore representatives this year.

So plans have been taken and questions presented out on various issues to get the opinions of the student body. One of the future senate projects sophomores will participate in is a field day. This is primarily centered toward being entertaining and fun for the whole school. Like other classes, basketballs have proven to be successful and raises this year's contribution for project. A homecoming that started the year off on the right path. A lot of time and money went into this project and it was pleasing to see all the support of sophomores. Our class senate sophomores contributed to decorating a hall for homecoming, helped with the food and gave moral support as well.

In looking towards future projects proposals directed toward improving school facilities will be examined. These include the library and the school building projects in the outside of the cafeteria.

Having the election of a senator or officer goes beyond just the position itself. It shows the individual's performance in a job that matters. Primarily, the senators serve to work with everyone and building the strong bonds of the class as a whole. We hope this example will catch on and our goals will be successful.

ACTIVITIES

The 1981-1982 Varsity Cheerleaders

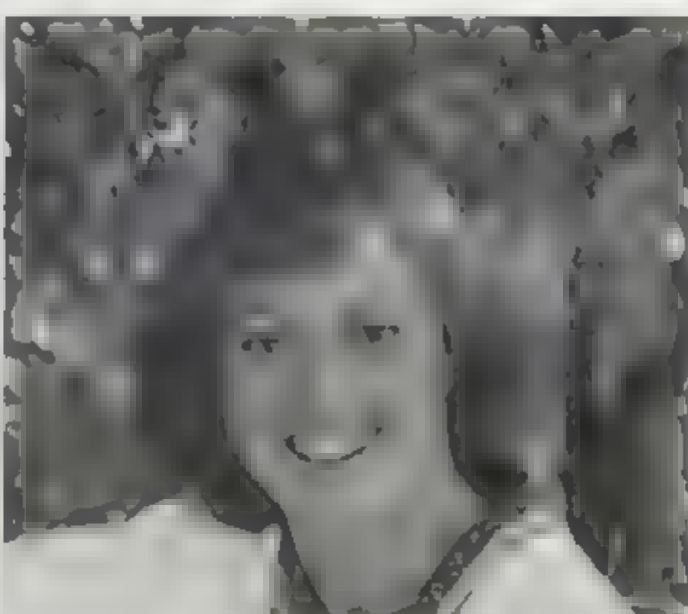

The 1981-82 Varsity Cheerleaders (pictured left) are obviously better than ever! They took first place at the University of Denver's cheerleading camp and contributed to the revival of school spirit. These girls are certainly a group to be proud of.

THE JUNIOR VARSITY CHEERLEADERS

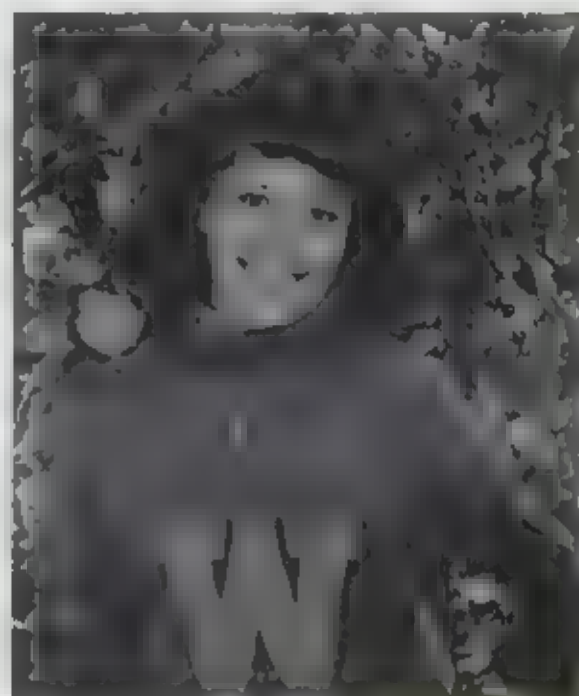

The Junior Varsity Cheerleaders did a fantastic job in supporting all of the Wheat Ridge High School's athletic teams this year. The enthusiasm created by the girls made the games much more spirited and exciting for everyone. Many hours of hard practice were put forth by each girl every week in order to generate school spirit. Thanks girls for all your dedication. Here are 1981-1982 Junior Varsity Cheerleaders: Therese Bonneau, Sherry Meerdink, Lynn Eicher, Melanie Reiling, Lisa Foley, and Karen Buck.

This year's Pom-Pon squad, led by Sharon Stevinson, accomplished a great deal. Not only did they practice regularly during the school year, but their schedule included 7 a m daily practices during summer vacation as well. All of the practices paid off, as the girls did well at the basketball games. The group also attended a Nuggets' clinic and were in several parades. This Pom-Pon squad is truly a group of girls who will be remembered for a long time

#3 Tracey Woodruff (Mrs. Violet Bradman) and Gary Smith (Dr. George Bradman)

The Wheat Ridge Drama Club fall production was a comedy by Noel Coward. **Blithe Spirit** may be said to be a British farce on marriage. The story is that of, Charles Condomine, a writer who, in an attempt to gather some notes for a novel on a medium (one who communicates with the dead) finds himself in a precarious situation. After the seance the ghost of his first wife, Elvira, appears and begins to cause trouble. Through the course of several attempts to have him join her, Elvira tampers with the car and Ruth is killed. Ruth, Charles' second wife, also returns after her death. The play resolves itself with the hypnotism of Edith, a psychic servant of the Condomine's. While Edith is under hypnosis Ruth dematerializes and returns to the "other world."

The play was filled with puns and wit which lent themselves to an evening of fun and laughter. Congratulations and thanks to everyone involved

Although the Blithe Spirit was a relatively short play, the students who worked on its production spent a great deal of time and effort perfecting it. The set design as well as the acting was beautifully done

The Wheat Ridge High School Bands

The Symphony Winds in concert

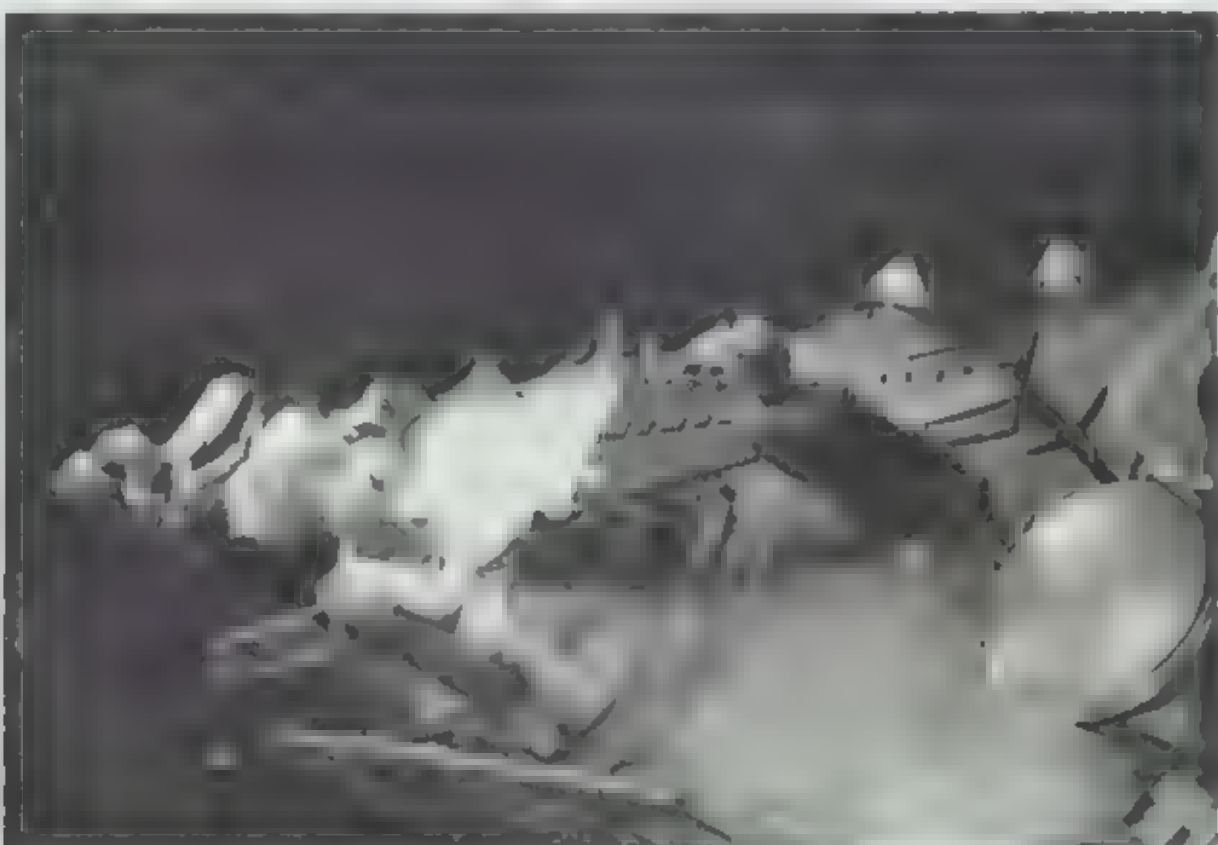

Wheat Ridge High School can be extremely proud of its fine instrumental program. Under the outstanding direction of Mr. Wallace and his new associate, Mr. McEwen, the band has accomplished much this year. Beginning in the fall, efforts were focused on the marching band, which, under the leadership of Mr. McEwen, provided enjoyable half-time entertainment. Once marching ended, however, the band got down to business — the business of serious musical experience and education. This unique musical organization consists of the Symphony Winds, the Symphonic Band, and the Stage Band. The emphasis rests firmly in exposure to a wide range of music, from symphonic transcriptions to original band literature and contemporary arrangements. The refined, almost professional atmosphere in which this music is rehearsed and performed benefits everyone involved in many ways that can be thoroughly understood only by being a part of it throughout the year. The Symphony Winds is the top performing group, boasting the talents of Wheat Ridge High School's finest musicians and maintaining a widely recognized reputation for excellence. The Symphonic Band is the second concert group at WRHS and gives several excellent performances during the year. Directed by Mr. McEwen, the Stage Band always provides its audiences with an entertaining show. Graduating seniors who have been involved in the WRHS instrumental music program fully realize the exceptional quality of the music education they have received. WRHS band always appreciates the enthusiastic support and attention bestowed upon it by the rest of the school.

Music, Music, Music!

This year Wheat Ridge hosted a fantastic concert late in January. The music was provided by four bands called **Traveler**, **Vision**, **Seyler**, and **Wax Fruit**. The boys who put on the show practiced long hours. You sure could tell when it came time to perform! They all did a super job!!!

Pictures

#1 **Traveler** was the first band to perform and they got the show off to an excellent start. These guys deserve to be commended as this was one of their first shows ever!

#2 **Vision**, a band which has been together for about a year and is led by Steve Clement provided music that the crowd really liked and got a good response from everyone.

#3 **Seyler**, a talented rock band led by Don Seyfer, impressed everyone with their musical ability.

#4 **Wax Fruit**, was a favorite with everyone who attended the concert. The band led by Steve Gallagher, played a variety of music including punk and 50's music. They really got the crowd going.

The four bands that performed at the Rock Concert drew a huge crowd over the two-day engagement. The large profits will go towards buying a new copy machine for the school. The students as well as the staff at Wheat Ridge greatly appreciate the effort put forth by these bands and wish them well in their futures.

Show Their Stuff

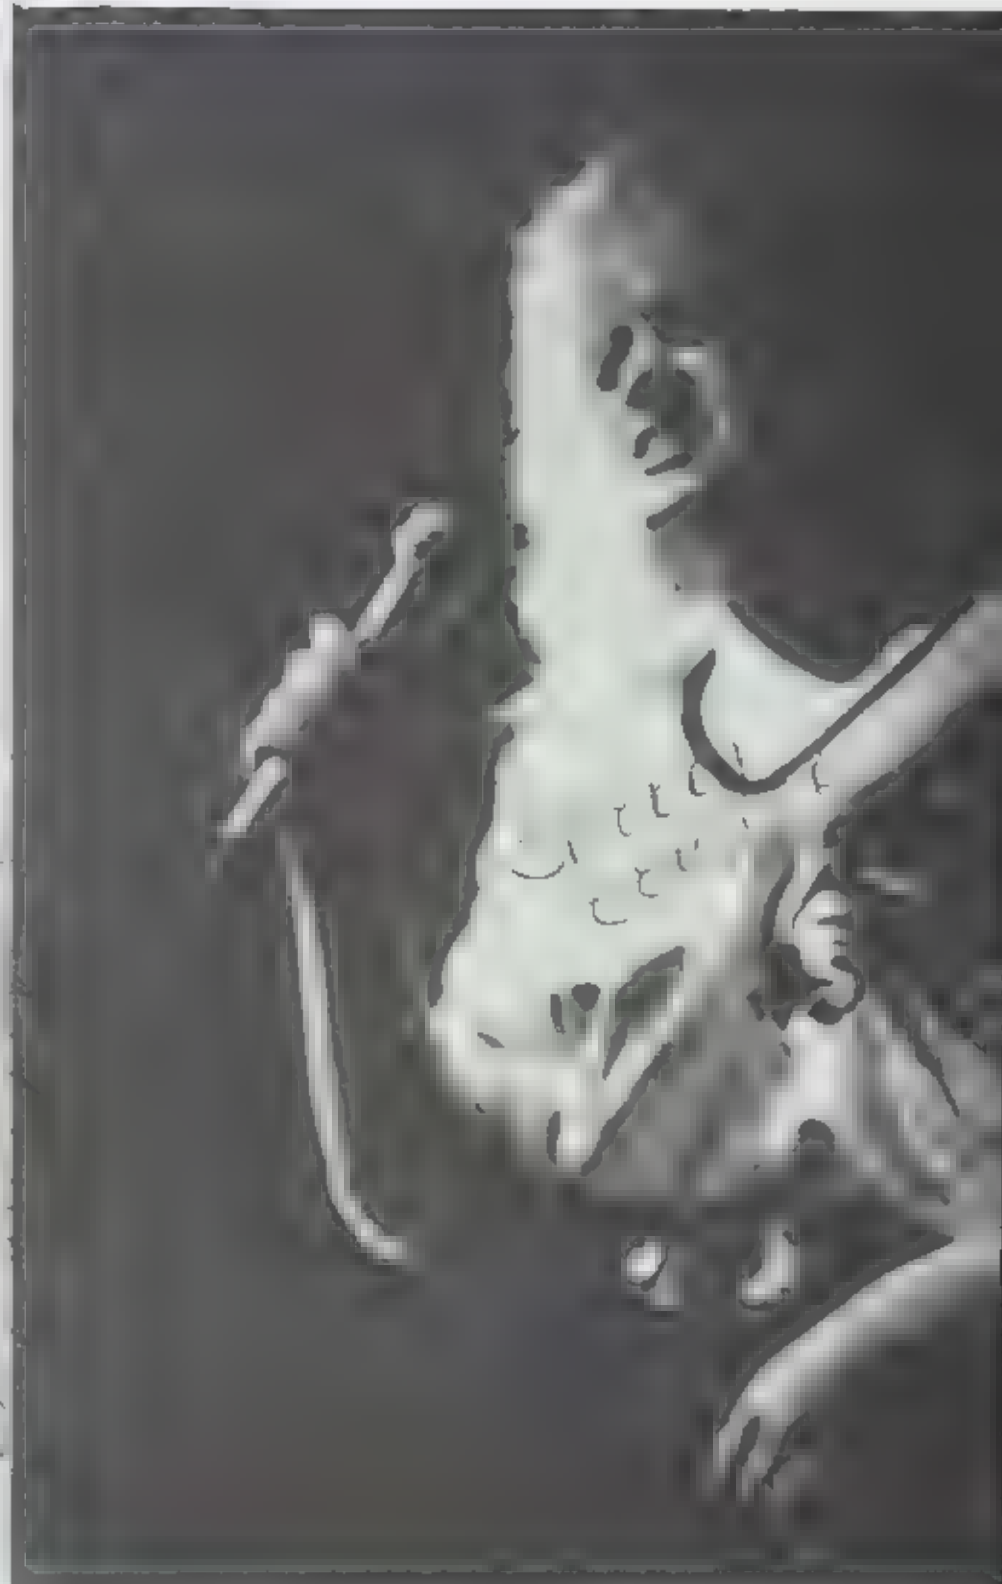

This year the Singers, directed by Mr Dalton, created a reputation that is literally going to be a hard act to follow. Along with excellent singing, the Singers' concerts include dancing and, of course, outstanding showmanship

This year's Talent Show was an unqualified success. It undoubtedly surpassed the shows of the past few years as many superbly skilled students came out to exhibit their abilities. Well, Homecoming week was very successful this year. We started out on Monday with a Sports/Sweats day, and a tricycle race at lunch for the activity of the day., On Tuesday, Wheat Ridge faced an invasion from the alligator set. The activity of the day was an ice cream eating contest during lunch, and an exciting Trivia Bowl that night. On Wednesday, we succeeded in stunning our visitor from the local Army Recruiting Office with our Military/M*A*S*H day. The activities included a Volkswagen stuffing (which, of course the seniors won!), and the Trivia Bowl came to an end. On Thursday, we had our Punk Rock

day and a ,elo-eating contest and balloon shaving competition. On Friday, the seniors had a Hawaiian Beach Party, with activities such as a barbecue and pep assembly. On Saturday, the Farmers had their Homecoming game against the Jefferson Saints, beating them 10-6. That night, the Homecoming Dance took place at Jefferson (HA). The week's activities culminated with the Powderpuff Football Championship., The Deadly Dames ended up the champions. Thus, our Homecoming Week ended

As shown below the Wheat Ridge Homecoming Week was an active y successful one Shown below the Wheat Ridge banner hangs proudly at the big game At left the vaunted Spirit Army, topped by Bert Scruggs, construct a human pyramid, and the winning Homecoming float lies in State in the cafeteria

"They are a great bunch of kids." It is getting to be an annual statement but coach Bob Brown still says it with sincerity. The season saw that great bunch of girls and guys place first and third, respectively, in the State Triple A Championships. The 1981 lineup for the Varsity guys included: Dan Reese, Ralph Gatie, Troy Eid, Kevin Flinn, Neil Dugger, Chris Diaz, Mark McKee, and Ed O'Grady. The Varsity girls line up included: Mary Colburn, Tracy Traphagan, Lisa Cook, Jean Kranzler, Jamie Rogers, Anita Krebs, and Elisabeth Mast

At the Lobo Invitational in September, Jamie Rogers set a school record of 19:44.3 for five kilometers. Dan Reese ran the state's fastest time of 15:47.9 at the Smokey Hill Invitational in October.

The League Championships saw the Varsity girls set a record low point total of 27. They also set two new records at the state meet. They set another record low point total with 74, and became the first team to go undefeated on a season. Dan Reese placed second for the boys at state, his only "loss" of the entire year.

Dan Reese, Ralph Gatie, Jean Kranzler, Tracy Traphagan, Jamie Rogers, and Lisa Cook were named All Conference. Dan Reese was named all State.

Football 1981

Members of the Farmer Football Team watch in earnest as their teammates do battle on the gridiron.

The 1981 Wheat Ridge Farmer Football Team started fast, winning their first seven games. The team was undefeated and ranked fifth in the state. They faltered in their next two games, however, losing them and a chance for a league title. But these proud young men mustered up courage and fortitude to defeat a tough Evergreen team in the North Division Playoff, earning a trip to the State Playoffs. The season ended at 8-3 with a loss at state, but the players and fans alike will remember 1981 as a great experience.

Playing perhaps the toughest position in the game of football, Steve Hize has earned the respect deserved of the league's best center

Bob Foulk blocked for his teammates in an outstanding fashion this year becoming one of the best offensive linemen in the league

A quick and explosive running back, Ron Perry has run his way across and through tacklers as one of the league's premier tailbacks

During the successful 1981 Football Season, the Wheat Ridge Farmers Football Team distinguished themselves as one of the state's top ten teams. Getting into the State Playoffs, the Farmers faced the state's number one ranked team, the Mitchell Marauders, and were defeated. "If you want to be the best, you first have to beat the best," Head Coach Greg Springston said. Some players, though, showed themselves to be the best at their individual positions, earning All-First Team honors in JeffCo's rugged Northern Division.

A standout two-way performer, Rich Walker earned both All-Metro and All-State recognition as a defensive back, as well as playing at the kicker and quarterback positions

A fierce and powerful tackler, Dave Tschepel terrorized opponents as the Farmer's Defensive Player of the Year for 1981.

A somewhat unsung but tough defensive end, Keith Bear was the player who scored the touchdown to send Wheat Ridge to the State Playoffs

A menacing tackler at his linebacker position, Tim Lancelot was voted by his teammates as the Most Valuable Player in 1981

Girls Swimming Does It . . . Again

This year's girls swim team was again undefeated and won its seventh consecutive league title. In addition, they placed tenth at the State meet. The excellence of the team as a whole was a result of the many fine individuals on the team. Colette Howard took State in the 50 meter freestyle and was named to all-conference and all-state teams. At the team banquet, the following awards were presented: Most outstanding sophomore, Paula Jacques; Most outstanding swimmer, Colette Howard; Most improved swimmer, Mary Eaman; Most improved diver, Jan Lawler; and most valuable swimmer, Anne Couatre. Congratulations to the entire team for their fine performance during the course of the season; they certainly represented Wheat Ridge well.

(overall record 11-6)

The 1981 Farmers' Volleyball team finished with an overall record of 11-6 and placed 4th in the league with a record of 8-4. The Farmers, coached by Donna Stuhr and Rod Fisher, were undoubtedly the best WR Volleyball team to date. Led by 6'1" senior Missy McLinden, the Farmers placed 2nd at the Alameda Invitational. Throughout the season, the Farmers were a difficult team to beat and were never beaten without a fierce fight. The team placed four members on the all-Conference team: Missy McLinden 1st team, Dana Plummer 2nd team, Kelly Bryant and Linda Dipentino honorable mention. The Farmers' team captains were Evelyn O'Grady and Missy McLinden.

The Junior Varsity team, coached by Rod Fisher, finished the season with a very respectable record of 5-6. Although the team was young it showed great ability and enthusiasm, and with three returning lettermen they should help to keep the Farmers strong in the coming seasons.

Farmer Golfers First In Jeffco

1981 was a good year for the WR golfers, though slightly disappointing at the end. First year head coach John Alden said he was pleased with his teams' performances. The Varsity team finished 1st in the district, 2nd in the league, and sent four members to the State tournament. the JV team took first place in the league. Coach Alden was proud of the teams and had no regrets, but "It sure would have been nice to win it all."

Gymnastics

Another of the many fine Farmer teams to represent WR this past fall was the gymnastics team, a group of talented and hard working young ladies who represented their school in a graceful, but grueling sport. This group of girls is to be commended for their fine performance throughout the season, as are their coaches and manager. Your work and dedication are appreciated, and the Agrarian reserves this space to salute you all.

Tennis 1981

This year's boys' tennis team, though not an overpowering force, enjoyed good success and saw several bright moments. The season was basically one of transition with the coming of a new head coach and several new players. First year head coach Ron Dries led his team to an overall record of 4 wins and 7 losses. The best "individual" performance on the team was actually made by the doubles team of seniors Lloyd Johnson and Bob Hardaway, who had a record of 7-4. With all the younger players on the team, there is good promise for Wheat Ridge tennis in the coming seasons

BOYS' SOCCER ... A YEAR FOR GROWTH

The season ended with a record of five wins, five losses, and one tie. Perhaps not very impressive, but coach Dave Simeone felt the season was still a success. The team consisted of four seniors, seven juniors, and eight sophomores. Only four of the nineteen played varsity the year before. "We lacked experience as a team this season," remarked coach Simeone, "but we gained that experience through the course of the season and should see some great things next year." Dave Simeone came to WR last year as head coach of the girls' soccer team and later became the boys' coach as well. As a new coach with new methods and ideas, it was tough at first. Everyone was generally receptive, however, and adapted quickly.

Jim Orcutt, a student teacher at WR first quarter, provided a colorful addition to the coaching staff. Mr. Orcutt attends the University of Vermont where he played on the men's team and gained a lot of experience and knowledge. This year he coached the Junior Varsity and help them achieve their main objective. The purpose of the JV team is for the younger players to gain game experience and to build basic skills. Coach Orcutt was able to teach them discipline and dedication, which are two essentials to becoming a mature and talented player.

Girls Basketball

Girls' basketball at Wheat Ridge took a gigantic leap in 1981-1982. The Farmer girls remained undefeated through most of the regular season before falling to the state's #1 ranked team, the Arvada Redskins. At the yearbook deadline, the team had an 8-1 record and was in second place in the league standings. The team was led by senior Missy McLinden and sophomore Lisa LaGuardia both of whom were among the league leaders in scoring and rebounding. Overall, the team was talented and had good depth, allowing it to stay close and win games where a less balanced team may have faltered. In addition to the fine play of the Varsity team coached by Lee Knuti, Donna Stuhr's Junior Varsity team played very well and should provide the Farmers with even more strength next year. The coaches as well as the rest of the school can be proud of this very talented group of young ladies

The Wheat Ridge Wrestlers finished off a good season by capturing third place at the district tournament and sending five outstanding wrestlers to State: Tim Lancelot, John Wyatt, Chris Dicroce, Troy Davidson, and Paul Meier. Coach Bob Binford commented that despite many injuries the team did an excellent job of overcoming them and wrestled well all season. He went on to say that when the team was healthy it was super. The Varsity team was well balanced and will regain over half of its starters next year. The Varsity team consisted of Tommy Darr, Chris Guterrez, Chris Dicroce, Doug Haughton, Troy Davidson, Dave Muldrow, Fred Dellovade, Arnie Potter, Greg Chavez, John Wyatt, Tim Lancelot, and Paul Meier. Swimming Strong

This year's farmers proved to be like fish in water. Both the boys and girls were strong teams and went undefeated through the regular season. Due to the early yearbook deadline, we can't say for sure how the boys' team performed at Districts or State. However it can be noted that through the entire season they were an unpleasant team for anyone else to meet in the water. They were simply the best team in the county this year, as they showed by defeating every other county team during their season, and certainly represented themselves and Wheat Ridge High proudly. This space and these four pages are devoted to you for a job well done

OUR FOREIGN FARMERS

These nine students are not only new to Colorado and Wheat Ridge but also new to America. Beyond taking on the challenge of leaving their countries and coming to live with host families in America, each has obtained an understanding of the American culture. Because of their involvement with the Wheat Ridge students and with the school they have, no doubt conveyed some of their culture to the Americans.

Autographs

Autographs are a collection of handwritten letters, notes, and signatures. They are often used as a way to preserve a person's thoughts and feelings. Autographs can be found in many places, including books, newspapers, and on the walls of museums. They are a valuable part of a person's legacy and can provide a window into their life and personality.

FINAL

EXAMS

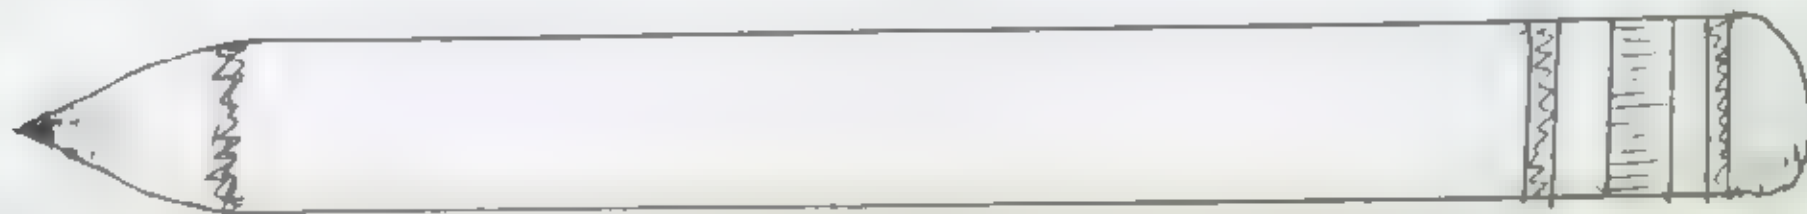

Sick of classes? There's nothing quite like a final exam to top off a hard semester. Here are some examples of how tough finals can be:

SOCIAL STUDIES

You have 55 minutes to write a five paragraph essay tracing man's origin in the Nethandera' and Criehtolipal man outline philisophtical and social progress through the Age of Questioning, the Age of Reason, the Age of Revolution, the Age of Industry, and the Age of Modern philosophy, and illustrate how present-day social-economic inter-continental relations are a culmination of the political state of the 19TH and 20TH centuries. Be sure to support your positions with examples.

FOREIGN LANGUAGE

Recall in the correct spelling definition part of speech for each of the 12,000 vocabulary words you learned this year, give a 10 minute impromptu monologue on Chapter III in the novel you have just finished reading. It is essential that you explain why Celia's father refused to take Pierre's advice and traveled to the Sahara in his submarine, anyway.

MATH

Story Problem #1

Jane is going to California on a 747 to meet Jack. Jane loves Jack. Last week Jack surprised Jane with flowers, but that was when Jane was out with Bill and Jack and out and high-tailed to L.A. Now Jane wants to make sure that Jack doesn't start seeing Laura. (that is, why he is on the 747.) If Jane's plane takes off at a bearing of 0° , in six minutes at a 210° angle the airport, which is 66 miles from Jack's house, and in 6 minutes at a 320° angle, calculate the probability that Jack and Jane will get back together. Good luck, Jack. Good luck, Jane.

BIOLOGY

Disect and label correctly your kidney, liver, spleen and small intestine. Describe the chemical processes that differentiate a human being from a protist. Make a mass from a protist.

BUSINESS

Describe in your own words the cultural environment you have attained, personal growth you have experienced, and the profound impact you have grasped by selling 1/2 credits worth of business cupcakes for one hour each day.

Personally Yours.
